“Electrifying Tomorrow”

COMPANY PROFILE

PATSONS Energy: Your Trusted Generator Set Manufacturer

Since our inception, PATSONS has prioritized product development and quality management, earning a strong reputation for excellence in product design and manufacturing. Today, we are recognized as a reliable source of world-class, technology-driven power generation products, offering flexible, custom-built designs on short notice.

Key Features:

- **Diverse Offerings:** Our generator sets range from 9 kVA to 2500 kVA, powered by trusted engines like Perkins, Cummins, Baudouin, and Volvo. All products meet BS 5514 standards and are paired with Stamford or Leroy Somer alternators.
- **Variety of Models:** We offer a wide range of prime and standby models, available at both 50Hz and 60Hz frequencies, with voltage ranges of 380V–415V for 50Hz and 380V–480V for 60Hz applications.
- **Speed Options:** Our units operate at fixed speeds of 1500 rpm or 1800 rpm, offering flexibility for various applications.
- **Transportable Designs:** We provide units that are off-the-shelf or specially designed to be transportable, trolley-mounted, canopied, and soundproofed.

Al Shola Group - Established in 1976, Al Shola has been a cornerstone of GCC infrastructure development, providing heavy equipment rental, power rental, and temporary HVAC solutions to the construction, oil & gas, EPC (Engineering, Procurement, and Construction) and government sectors.

Our extensive fleet comprises over 1,500 equipment. With a dedicated team of 450+ professionals, we ensure on-time delivery and efficient project support.

Our three strategically located workshops across the UAE ensure rapid response and minimize downtime. We've established strong partnerships with leading Original Equipment Manufacturers (OEMs), guaranteeing access to genuine parts and expert technical support.

Our operating locations:

Head Office: Dubai, UAE

Branch Offices: Fujairah, Abu Dhabi,
KSA, OMAN

Workshop facilities: Across UAE, KSA,
OMAN

The Group Consists of the following companies:

- **Al Shola Transport Co. LLC, Dubai**
- **AST Middle East Logistics LLC, Dubai**
- **Al Shola Transport & Contracting LLC, Fujairah**
- **Emirates Forklifts Rental LLC, Sharjah**
- **Al Shola Equipment Rental Co., KSA**
- **Emcon Equipment Rental LLC, Abu Dhabi**
- **Al Shola Transport & Contracting Co., Oman**
- **Patsons Energy LLC**

OUR VISION

To significantly expand our presence and become a key player in the Middle East's Transportation, Contracting, Plant Hire, Power rental/sales, Cooling rental and Oilfield Equipment industry.

OUR MISSION

Delivering quality products and services that fully address customer requirements are executed in a safe and environmentally sound manner.

OUR QUALITY POLICY

Patson Energy LLC is totally committed to customer satisfaction, and we recognize that quality assurance is the key component of that commitment. We ensure the quality of our products and services by continuously improving our processes; by using customer feedback to add value to our products and services; and by establishing and achieving measurable objectives in our quest for customer satisfaction.

SCOPE OF WORK

Design, Supply and Manufacturing of Soundproof Enclosures and Containers for DG, Cylindrical / Rectangular Single wall & Double wall tanks, Customization of DG's as per customer requirements with accessories including Panels, Diptrays, Zone II fittings, etc..

In-house solutions for Synchronizing gensets, Load tests, Computer diagnosing & Remote monitoring systems, Complete testing & commissioning with certified load banks.

OUR MAJOR PROJECTS

Projects Details:

1. Supply of 25MVA (1250KVA X 20) genset for Caribbean Islands.
2. Supply of 12.5MVA (1250KVA X 10) genset to Power plant to Yemen.
3. Supply & Installation of 15MVA (250KVA X 60) genset to Sobha Developments.
4. Supply of 1 X 400KVA Genset to EU office in Somaliland.
5. Supply & Installation of 5.8MVA (650KVA X 9) genset to a reputed concrete company in Dubai.
6. Supply of 1 X 1000KVA Genset
7. Supply of 1 X 1250KVA Genset to Drydocks, Dubai.
8. Supply of 1 X 1250KVA Genset to Master Vessel Roma.
9. Supply of 1 X 1000KVA & 2 X 500KVA genset to Sobha RAK
10. Supply of 1 X 1000KVA & 2 X 500KVA & 2 X 200KVA genset to Sobha Group.
11. Supply & Installation of 13.4MVA gensets to an Island project in UAQ, UAE.
12. Supply & Installation of 20.22MVA gensets to a project in Ruwais, UAE.

And Many More..

OIL FIELD SOLUTIONS

Explosion protection solutions for hazardous areas.

Patsons Energy LLC understands the uniquely challenging demands of the oil and gas field's equipment installation requirements, where explosive mixtures of gases and air cloud occur and result in a flammable atmosphere. We are experts in providing hazardous area solutions, custom design and making flameproof equipment packages.

We have developed a wide range of flame protection packages to meet local and international requirements and legislation such as ATEX and Class 1, Zone 1 & Zone 2.

Our standard range of high quality, competitively priced products, will cover most existing requirements.

Patsons Energy LLC is an ISO 9001:2015 certified company. We have branches in the UAE, Oman & Saudi Arabia, manufacturing facility in Dubai Industrial City, Dubai, UAE.

We specialize in sales and rental of hazardous area equipment.

SPARE PARTS DIVISION

Patsons Energy LLC Spare Parts Division is Stockist of Genuine Spare Parts for products which we are dealing with and all other leading brands like Perkins, Volvo Penta, Cummins, etc.

Our team of experienced advisors can help you identify everything from genuine parts, everyday service filters to engine components to alternator parts. We hold a large stock of parts.

Our Spare Parts Division has varieties of Spare parts for Gensets, Automotive & Heavy Equipment. We are gradually increasing our Spare Parts Range to Suit most of Our Potential Customers.

ON-SITE & 24x7 BREAKDOWN SERVICE

Patsons Energy LLC service team is available 24 x 7 and that is exactly why you don't have to worry about the maintenance of machines yourself. When your equipment is due for annual inspections, we will contact you. Should any unexpected malfunctions occur in between two inspections, you can contact a technician 24 hours a day.

Patsons Energy LLC offers two types of maintenance: one-time breakdown service and an extended contract.

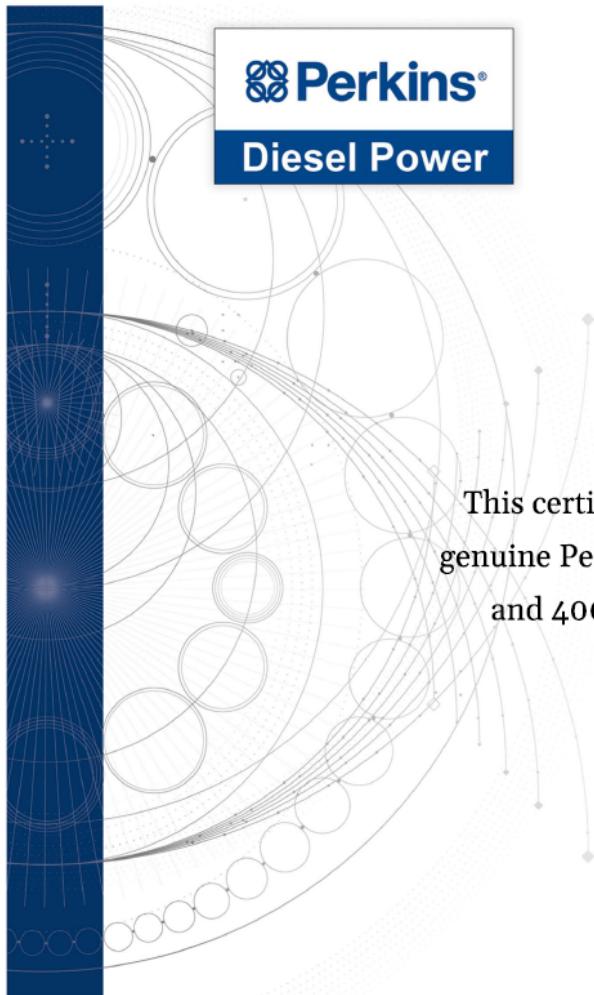

One Time Breakdown Service

The basic contract offers the minimal maintenance your machine needs. As a minimum it will get a full inspection. In addition, Our Engineers & Technicians will troubleshoot, resolve the problem & do the necessary services to get the machine/equipment back to running mode.

Extended Service Contract

The extended contract is a customized agreement which is drawn according to customers requirements. This would for example make it possible to have your machines inspected several times a year and would enable you to choose for a replacement during the maintenance.
